

CTE Skill Certificate Test Performance Documentation

This document must be submitted to the test coordinator along with the test scan sheets at the time of testing. It will be submitted to the USOE for the audit and a copy kept on file for two years.

Course: Natural Resource Management I
Test Number: 170
School:
Instructor's Name:

Students in course:
Students tested:
Date:

This is to verify that the students on the attached class roll* accomplished the following performance objectives at or above the 80% (moderately to highly skilled) level.

1. Understand the FFA Creed.
2. Attend an FFA meeting.
3. In an approved record book, record all transactions and activities on a SAE.
4. Prepare a plan for a long-term SAE.
5. Classify natural resources into renewable and nonrenewable resources.
6. Participate in a conflict management activity.
7. Identify examples of ecosystems, homeostasis, and succession.
8. Identify and classify common game birds.
9. Identify and classify common game animals.
10. Identify and classify common range and forest plants.
11. Calculate the potential water holding/runoff capacity of a watershed.
12. Determine the impact of watershed management on local communities.
13. Demonstrate air-monitoring techniques.
14. Collect and interpret weather data.
15. Determine livestock and wildlife use on rangeland.
16. Establish a range transect and use it to evaluate a specific location.
17. Develop a basic plan for monitoring a natural resource project.
18. Survey a site to determine potential land use.
19. Analyze a current, local Environmental Impact Statement (EIS) and determine the preferred alternative.

Each performance is documented and kept on file for two years. (check one or more)

- ☐ Individual student performance tracking sheets
- ☐ A class period summary score sheet
- ☐ Recorded and identified in the class grade book

Instructor's Signature: _____

*Attach a copy of the class period roll and draw a single line through any student on the roll not accomplishing ALL required performance objectives at the 80% (moderately to highly skilled) level.
